

This charge information provides a general idea of the prices for services provided at our hospital. There may be additional charges (for example, pre-procedure office visits, surgeon, anesthesiologist, radiologist, pathologist, consulting physicians, emergency room physicians, supplies and drugs.). Charges are applied based on the practitioner orders and services provided. The estimated cost is not a guarantee of insurance coverage. Consumers are encouraged to check with their insurance company to best understand benefits and out of pocket responsibility for the service chosen. Please contact the Business Office at 785-743-2182 option 9, if you have questions or need assistance.
